

SMALL GROUP QUESTIONS

TAKE A QUICK READ THROUGH EXODUS 23

1. In this passage, there were three challenges of trust; do you trust what God says is right, do you trust that God will provide, and do you trust where God is leading. Which of these three is most difficult for you and why?
2. When you read through verses 1-9, there are some warnings not to allow relationship with others, or how we feel about their circumstances to deter us in doing what is right. In what ways are you tempted the most to overlook what is right for the sake of relationship with others?
3. What's the most tempting way to follow the masses in the place of life?
4. What are the ways that are most difficult for you to trust that God will provide?
5. What are the places that are most difficult for you to trust where the Lord may be leading you at the moment?
