

## **THE COMMITMENT TO SHARE TIME, RESOURCES, AND GIFTS TOWARD THE MISSION AND MINISTRIES OF EXCHANGE**

1. When you read the story of Cain and Able in Genesis 4 and how the Lord viewed their offerings, what observations do you have?
2. On Sunday, Brian mentioned that when God asked them to bring an offering, nothing was needed to be built and no missionaries needed to be sent. How does this idea that God required an offering to be given effect how we may think about living open-handedly?
3. How does giving expose our hearts?
4. How does giving have the opportunity to shape our hearts?
5. What are the things you are tempted to live close-handed with?
6. What do you have in your life that you believe the Lord has given you for his mission and purpose?
7. How can you pray about what the Lord may be asking of you in this season?
