Read 1 Chronicles 29: 10-20 (Special Attention to 13-20)

- How is it possible to develop and maintain a humble attitude of generosity to the Lord and a posture like David's that *everything* comes from His hand?
- How does proper perspective on God's goodness (10-13) help shape our hearts in obedience and surrender?
- What do you think the prominent lies of the enemy are when it comes to us living a life of surrender?
- Like David prays that what they surrender would lift up the name of God- how can your life of surrender today help lift up the name of God?
- David asks the Lord to bless the intentions of his heart and the people. How can we filter our intentions to make sure they are honorable to the Lord?
- Notice David's prayer for Solomon. What do you see in his prayer, and what do you specifically *NOT* see?
