

Read John 5:1-24

1. Often in Scripture, we find Jesus with those who society casts aside- like at the pool of Bethesda. What does that tell you about Jesus and your own personal story?
2. Do you ever find yourself grossed out or disgusted by someone's sin and story? How can you foster the heart and posture of Jesus in those moments?
3. When Jesus told the man to get up, his simple act of obedience was rewarded with the power to do what Jesus asked. Is there anything in your life at the moment you need Jesus to empower as you obey?
4. John 5:24 tells the incredible story of passing from death to life. This is a great opportunity for someone, or multiple people, from your group to share their story of coming to Christ.
